---

Gary, this was part of a bigger shipment. We had roughly 18 totes and 12 drums of waste shipping to US Ecology at one time. It was not cost effective to pull one drum off of that load and ship it to another facility. Let me know if we need to discuss further.

Thanks,

**Beth Crawford**

Beth:

Did we send Non-Haz Class 1 Solids to U.S. Ecology? Why did this not go to Republic?

Gary,

This has the two drums of sludge that went to Veolia correctly added. Please let me know if you

need anything else.

Thanks,

**Beth Crawford**
